# Against Strikers SUFFERING By Associated Press. HOUGHTON, Mich., Jan. 12.

CHICAGO, Jan. 12.—The lake region is gripped in the coldest weather of the season. It is zero here, with a terrific wind. It is 14 degrees below at Duluth and much colder on the range. At Cleveland it is 14 above with the wind blowing sixty miles an hour. ST. PAUL, Minn., Jan. 12. Ten degrees below zero.

WASHINGTON, Jan. 12.- The coldest weather of the year is sweeping eastward from the Rocky

mountains. At White River in Canada it is 30 below, the coldest of the readings. Prosts are predicted in Florida and the storm will continue several days. Storm warnings are dis-

played on the Atlantic and Pacific coasts. HOUGHTON, Mich., Jan. 12. - J. M. Hilton, chief counsel for the Western Federation of Miners, de-

parted for Colorado. Charles Tauner, the auditor, also left. The below zero temperature is causing suf-
